PANTHER SENTINEL

HARTNELL COLLEGE

Volume XL | Friday, March 5, 1971 | Number 19

Reserve Your Elixir

Due to the shortage of money the yearly Hartnell publication has only $3,000 to work with. Therefore, in all fairness to ASB card holders there will be a sign-up time to reserve your copy of the Elixir.

Sign-up time will be during the week of March 8-12 between the hours of 9:00 A.M. to 3:00 P.M. in the Journalism Room 13 and the College Center. All you have to do is present your student body card along with your name.

IF YOU DON'T SIGN UP NOW YOU WILL NOT BE GUARANTEED YOUR COPY OF THE ELIXIR! The distribution date for this magazine will be May 17.

This new concept of signing up for the magazine has been approved by the Associated Student Commission.

Scholarships Are Available

Students entering, continuing or leaving Hartnell are now eligible to apply for at least 21 scholarships made available by various clubs and organizations in the Salinas area. Awarded on the triple basis of academic quality, financial need and the promise of achievement, the scholarship forms may be picked up in Ken Holback's office in SU-2.

Each scholarship application submitted must be accompanied with a recent transcript of your school record, three letters of recommendations, and a one-page autobiography. Deadline for the Hartnell scholarships is April 15, 1971.

VOTER REGISTRATION DRIVE SUCCESSFUL

Ninety-five new voters were registered on the Hartnell College campus during the two days of registration Monday, March 1, and Wednesday, March 3, 1971.

Wayne R. Lindley and the Young Democrates Association sponsored the program to register 18-year-old citizens which brought representatives Mrs. Raymond Gutierrez and Mrs. Floyd Phelps from the County Registrar's Office to supervise the paper work.

The majority of those registering Monday indicated preference for the Democratic party.

On Wednesday, the Republican party and non-partisans showed up to qualify for the next general election.

Registration was so impressive that the ladies from the Registrar's Office have promised to return Monday, March 8, and possibly on Wednesday, March 10th to facilitate registry of others.

EDITOR'S MAILBOX

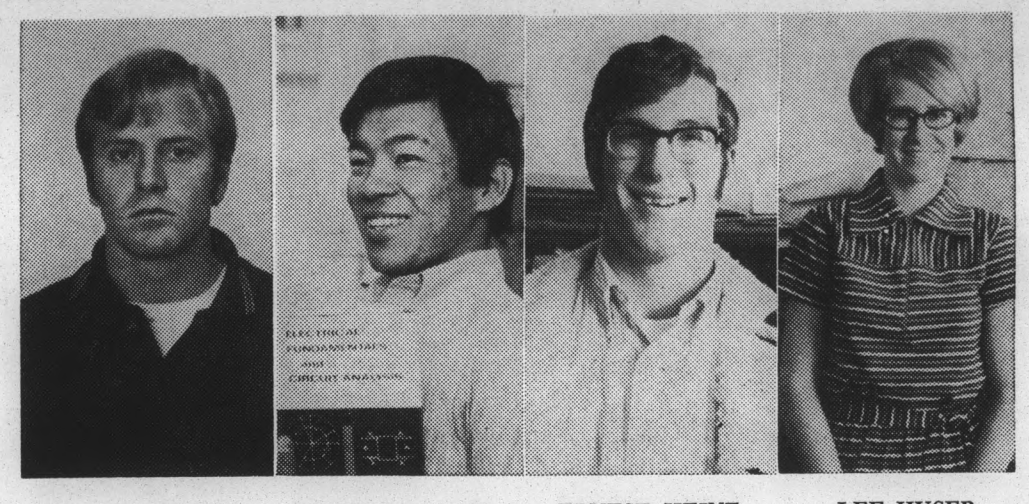

To Les Hall, Panther Sentinel
March 2, 1971

Dear Mr. Wayne R. Lindley:

You are absolutely right! I did write those three articles for the "Panther Sentinel" which appeared in the February 19, 1971 edition. They were the "Lowe Down," "Oratorical Contest" and "Marilyn's Money." I say I wrote the articles, but not the titles for the articles.

During the end of the first semester, I was asked by Les Hall, the editor, to write a news story concerning the Elk's Leadership Contest (in which I placed second), and a column that would be of interest to Hartnell students. Although I am not in the habit of writing articles about myself or being egotistic for that matter, I wrote the article, not for self-glory, but because the contest was open to both high school and college students. This was newsworthy in that it brought out the fact that a Hartnell student placed second among students competing from six area high schools. Had you won second, Mr. Lindley, I would have still taken the initiative to interview you, and write an article revealing your winning. Furthermore, let me point out that a primary function of the

BANK OF AMERICA PICKS HARTNELL STUDENTS

By Marilyn Lowe

John Anderson, Ernest Heinz, Lee Huser and Michael Osugi have been chosen to represent Hartnell College in the Bank of America's 1971 Community College Awards program.

The outstanding four second-year students will have the opportunity to compete for $88,000, with first place worth $2,000 in each of the four study fields.

Representing the technical-vocational division is John Anderson, who plans pursuit of a career in architecture at Cal Poly next fall. Married, John is carrying 15 units, and works fulltime at Deane Brothers Tire Shop. Nevertheless, he manages to maintain his 3.1 GPA.

In the business field is Ernest Heinz, who plans to go into institutional management (labor relations) at Sacramento State. "Law is my primary goal," said Ernest, who works part time at Monte Mart. By "being independent and applying myself," he has achieved a 3.4 GPA.

Lee Huser will represent the humanities division. Carrying an impressive 3.8 GPA, Lee is majoring in history. Next fall she is transferring to University of the Pacific in Stockton, where she plans to become an elementary school teacher.

Representing the science and engineering division is Mike Osugi. The part time Hartnell physics lab assistant hopes to enter UC Berkeley next fall. The engineering major has a 3.7 GPA and is a member of the Salinas Buddhist group.

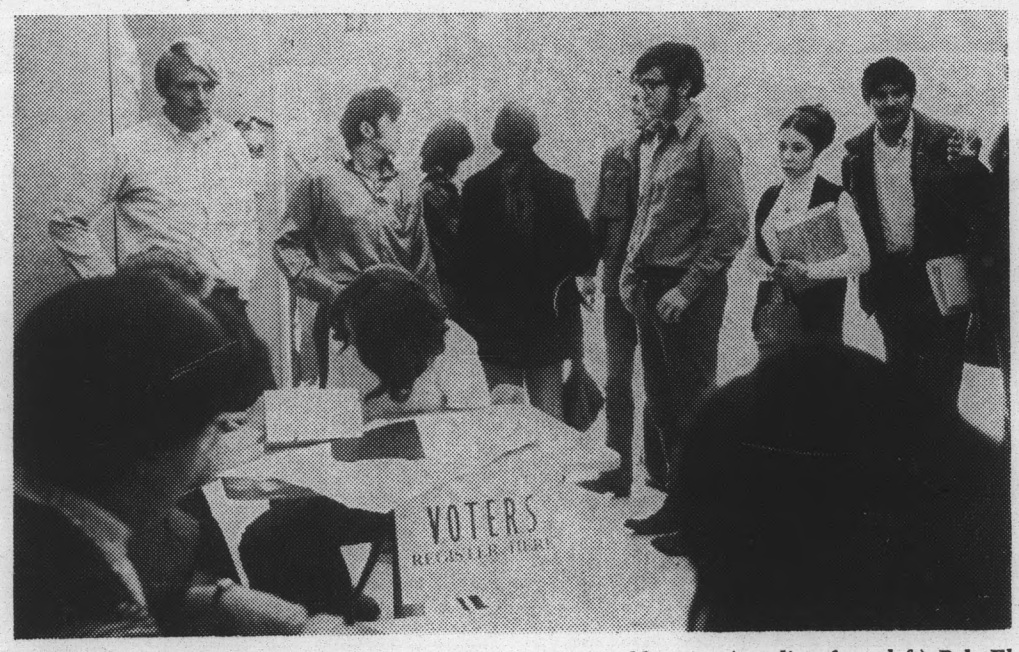

The Community College Awards program is an otugrowth of Bank of America's former Business Awards and Man and Woman of the Year programs. The new program expands the scope of recognition by including more areas of academic endeavor, involves a greater number of students and increases the total amount of cash awards.

However, the basic purpose underlying the program remains the same—to honor outstanding students whose scholastic attainment, sense of civic responsibility, and leadership give most promise of future success and service to society.

The local students will compete in semi-final events at Salinas on March 23 along with students from at least eight other schools.

At that time two students from each of the four study fields will be selected to advance to the final competition April 22 in San Fransisco.

Runnerup students in the semi-final competition will each receive $150, while the finalists are assurred a minimum of $250 and the possibility of the first place award of $2,000 in each study field.

■ "VOTING'S MY BAG" seemed to say nearly 100 Hartnell students this week as they registered at the tables set up in the cafeteria. Students here taking advantage of new opportunities for 18-year-olds were (standing from left) Bob Ely, Dominic Ramirez, Jr., Richard Smith, Patty Coulter, Salvador Perez and Robert Barragan.

The Lowe Down

GREAT WORK! At the beginning of the school year Gaines Thomas, ASB Vice President, made at least 100 speeches to the incoming freshman class concerning the advantages of an ASB card. It certainly went over well. To date, 1708 ASB cards have been sold; 1500 were $15 cards; 100 were $10 cards, and 108 were $8 cards. That brings the total cash receipts to $23,464.

★ ★ ★

COMING SOON: Dr. Sidney Brossman, Chancellor of the California Community Colleges, will be the guest at Hartnell March 16, 1971. He will address the student body at 11:00 in the Little Theatre. A question and answer will follow his address.

★ ★ ★

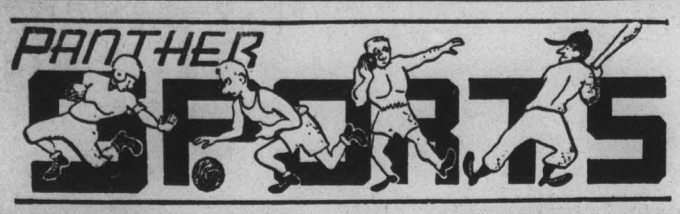

IT'S DROPPED . . . The Inter Club Council has decided to eliminate the kissing (germ) marathon and leg contest activities for Hartnell Week. Instead, a kite-flying contest and a Chinese lunch will be held on March 23. A pieleating contest will be on March 25.

★ ★ ★

SHE'S NEW COMMISSIONER: Last Tuesday, the ASB Commission appointed Carolyn Reed, head cheerleader, as the new Commissioner of Finance. Carolyn applied for the position because of her love for numbers and interest in the Commission. Last year Carolyn was the ASB Treasurer at Salinas High.

★ ★ ★

OH WELL . . . Carol Ackerman, Melissa Babcock, Kathy Burke, Pat Wright and Virginia Wun tried their best in the intercollegiate tennis match against Porterville Junior College last Saturday, but they lost. Better luck next time, girls!

SEASON ENDS BUT GRAPPLERS GO ON TO GREATER GLORY

Hartnell's wrestling team concluded its Coast Conference schedule Friday afternoon by placing second in the C. C. Champsionship Tournament held at Cabrillo; but the season is far from being over for many of the Wes McWilliams coached grapplers.

Geoff Lowe, Roger McLaughlin, Ron Tate, Louie Moreno, Ted Uchida, Ron Robinson, Richard Cruz, Chuck Crompton and Luther Norred are all headed for Solano Junior College in Santa Rosa where they are to take place in the North Coast Sectional Meet to be held tomorrow.

The grapplers earned the right to participate in that meet by placing among the top three finishers at last week's C. C. Championship Toruney.

Lowe, McLaughlin and Tate left the meet with C.C. titles in their respective 126 lb., 177 lb., and unlimited classes.

Lowe defeated Gavilan's John Chavarria, 6-2, in the finals of their division; McLaughlin decisioned Ron Lunsford of Cabrillo, 7-5, in the championship match of their division; and Tate helped himself to the unlimited division title by decisioning M.P.C.'s Jason Jackson, 9-8, in the finals of that category.

Aside from the three championships produced by the Hart matmen, the Panthers also had a pair of second place finishes, and four third places.

Louie Moreno, who competes in the 118 lb. class, was pinned by Vince Perez, of Gavilan in their title match. Ted Uchida missed out on his chance at the number one position when he becamed the pin victim of Monterey's Pat Dunn in the 142 lb. championship match.

Ron Robinson (158 lbs.), Richard Cruz (158 lbs.), Chuck Crompton (167 lbs), and Luther Norred (190 lbs.) all concluded the afternoon in third place in their weight classes.

The Panthers, teamwise, fell two points short of capturing the Tourney title, as they totaled 51 team points in comparison to Ohlone's 53; Gavilan's 44; M.P.C.'s 33 and Cabrillo's 21.

The squad heads for Santa Rosa today and those who place among the top four finishers there will be traveling to the State Meet on March 13, which is to be held at El Camino in Los Angeles.

PEERLESS BUCKETEERS POINT TOWARD PLAYOFF

The Coast Conference title winning Panther basketball team will travel to Gilroy tomorrow night to contest the Central Conference champion Hancock College in a regional playoff game slated for 8:00 P.M. at the Gavilan College gym. Winner of the Hartnell-Hancock encounter will represent the region at the Junior College State Basketball Tournament at Santa Maria.

Hancock will be a great challenge for Hartnell because the Bulldogs are a physical team possessing good height and excellent perimeter shooting. The Bulldogs' seasonal record seems low, 12-16, but they are 9-3 in the league and have been playing teams such as UCLA's Frosh in non-league games. It would put forth an understandable reason for the low season mark.

In final regular season statistics Andrew Glover finished on top by leading Coach Len Wilkins' chargers in the rebounding and scoring departments. It was no wonder Glover made the Coast All-Conference squad.

Long range shooting marksman Jim Huff finished second in total scoring and third in the rebounding. Huff was also voted on the All-Conference squad with teammate Glover.

Dwight Garrison, one of the quickets guards around, finished a fine season but was given only an honorable mention by other CC coaches. Guard Dennis Itani and forward Tex Ryan were completely overlooked in the voting as they weren't even given an honorable mention, strange and perhaps bitter actions indeed that league champions Hartnell placed two players on the 10-member squad, something the last place team even accomplished.

Below is the starting five final season scoring statistics going into tomorrow night's regional contest.

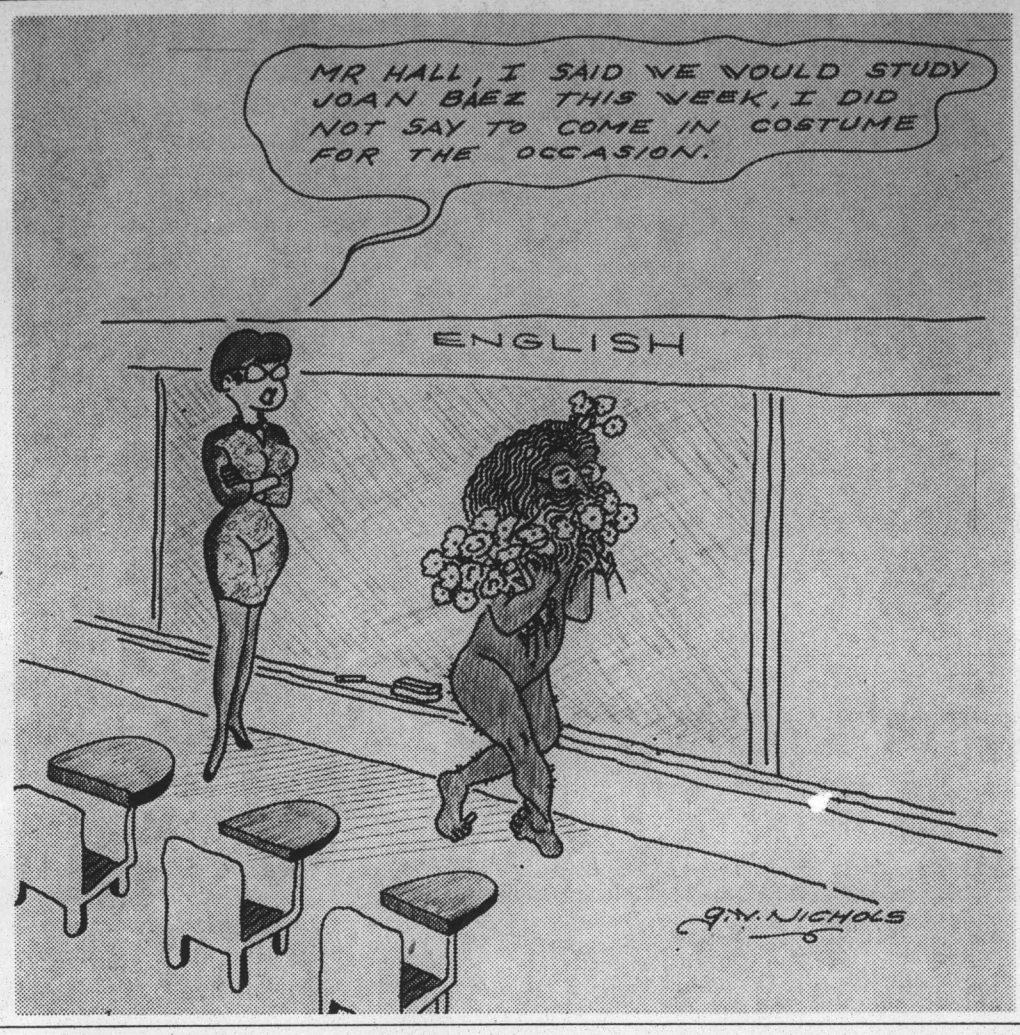

Player	HG	Ave.
Ryan	19	9.8
Huff	31	15.1
Glover	33	17.6
Itani	22	9.5
Garrison	20	9.1

Our Peppy Women Win Some, Lose Some

Winding up their last game of the season were 10 members of the Women's Athletic Association, who on February 26 and 27 represented Hartnell at the Women's Junior College Basketball Championship. The team won two games and lost one in the consolation tournament.

Competing in the tournament against 16 junior colleges were: Barb Brunet, Vira Cabrera, Bernie Datan, Jan Frates, Terry Frates, Mamie Glynn, Cora Jorvina, Joanne Morisoli, Bunny Rivers and Stella Saucedo.

During the basketball season, the Hartnell girls competed with various high schools and colleges. They played a total of 18 games and have compiled an impressive record of 16 wins and two losses.

Editor's Mail

(Continued from Page 1)

newspaper is to communicate to the human race what its members do, feel and think.

It seems to me, Mr. Lindley, that you are very envious of anyone winning any type of contest or achievement. Just because someone places second, instead of first in a contest, you feel justified in saying that he or she is inferior, and should not deserve any recognition at all, right? If so, are you trying to tell me that if Hartnell loses a basketball game, that the newspaper should not publish the results at all? I thought you believed in freedom of the press clause in the first amendment of the Constitution, Mr. Lindley.

You wanted to know "Who the hell is Donna White anyway?" She, for your information, is a student at Hartnell. Her name column, because I felt it would appeared in the Lowe Down, my create readers' interest, and furthermore, inform of the latest happenings at Hartnell in general.

After volunteering my services as a typist, free of charge, to your newspaper, "The Alternative," I realized it was a mistake. As an "undercover," I observed firsthand how your staff operated. Unfortunately, you are always very derogatory and critical about the "Panther Sentinel." But what I experienced and saw of your staff left much to be desired. Some of your staff members were highly unorganized and inefficient. Most of them just sat around in your cozy office room. They talked and criticized a lot, yes, but absolutely nothing was accomplished.

Since your newspaper, Mr. Lindley, takes pleasure in attacking the "Panther Sentinel" so much, I would ask, rhetorically perhaps, why are not you or your staff members, for that matter, willing to join the Sentinel to improve it? May I point out that being an editor of a school newspaper is not an easy task. Mr. Les Hall is trying to fulfill his position to the best of his ability, and is constantly being criticized. He is even willing to give up his editorship to anyone who feels that he is more qualified for the position.

Mr. Lindley, Thomas Fuller, an English scholar, writer and preacher once said, "The excessive desire of pleasing goes along almost always with the apprehension of not being liked." In your case, he was 100 per cent right!

Respectfully yours,
Marilyn Lowe.

Panther Lead Slips From Sacks

The Tony Teresa coached Hartnell baseball team dropped a 9-8 decision Tuesday to the visiting West Hills Falcons.

The Panthers were cruising along with a 6-1 lead at the end of four innings — then ill fate struck. Carolan hurt his arm and had to be pulled, and the visitors took advantage of new hurler Jerry Davis and some Panther errors to tie the game at 6-6.

The Falcons went ahead 8-6, but the Hart squad tied the game in the last inning with Cliff Headburg's two-run homer. However, victory was not to be for the Panthers, as the Falcons scored in their last-at-bat to win the contest.

TODAY'S BASEBALL GAME: Panthers versus Cabrillo College, here at three o'clock.
